## ACADEMIC CUSTOMS AND DRESS

The origins of many customs of the academic world are to be traced to the Middle Ages, particularly the eleventh and twelfth centuries when the first European universities — Bologna, Paris and Oxford — were founded.

In their original organization, the universities were like medieval corporations or guilds. In fact the word "universitas" originally referred to any kind of corporation. The students at the universities were equated to guild apprentices, and so the completion of this apprenticeship was celebrated by a "commencement" marking the beginning of their careers.

In the twelfth century, everyone wore gowns. The social and economic status of an individual was shown by the extra features, such as fur trimming, on the gowns. Cloaks with hoods were worn over gowns for protection in bad weather. Degrees began to be awarded in the thirteenth century, and different styles of gowns and different colors came to represent the various degrees and disciplines.

Over the centuries the styles of dress changed, and by the seventeenth century, the wearing of gowns by men had virtually ceased. But the universities, particularly those in Britain, continued to be conservative and strict in the matter of academic customs and dress. At Oxford, for instance, students could be fined for cutting class or not taking notes, and candidates for master's degrees had to swear that they owned a gown and would always wear it at the proper times!

The first American universities were founded on English models. However, the wearing of academic dress was not universal and ceased during the Civil War. The custom was revived in the late nineteenth century, and in 1895 an academic costume code was adopted which, with modifications, is still used.

Most American universities have the standard black gown with the hood serving to distinguish the individual institutions. Some American and European universities have adopted or preserved more distinctive gowns. There are three styles of gowns, distinguished mainly by the sleeves: the bachelor's gown, with long, pointed sleeves; the master's, with a squared sleeve, cut so the forearm is free; the doctor's, with bell-shaped sleeves with three velvet bands.

The hood is the really distinguishing feature of modern gowns, indicating the degree (the width of the edging band), the discipline (the color of the band) and the college or university (the colors of the lining). Today's graduates have hoods edged in white (B.A., M.A.L.S.), gold (B.S., B.L.S.) or drab (M.B.A.). Many faculty members will have blue edging indicating the Ph.D. degree. The faculty will be wearing hoods representing many distinguished institutions of higher education, e.g., navy blue and orange for the University of Virginia, orange and maroon for Virginia Polytechnic Institute and State University, cardinal and blue for the University of Pennsylvania.

## ACADEMIC HONORS AND SPECIAL AWARDS

Academic achievement is recognized at Commencement through a variety of honors and awards. Other awards were presented at the Convocation ceremony held on Friday, May 7. In addition, most academic departments sponsor chapters of honor societies which recognize student achievement in specific disciplines.

### ACADEMIC DISTINCTION

The college recognizes the academic achievement of graduating seniors earning the degree of Bachelor of Arts or Bachelor of Science through the awards of Summa Cum Laude, Magna Cum Laude, and Cum Laude, based solely on the student's grade point average at Mary Washington College. To graduate with Academic Distinction a student must earn at least 60 Mary Washington College credits on which grade points can be computed. The cumulative grade point average to be attained for each award is as follows:

<b>Summa Cum Laude</b>	3.75 or higher
<b>Magna Cum Laude</b>	3.50-3.74
<b>Cum Laude</b>	3.25-3.49

The academic achievement of seniors graduating with the degree of Bachelor of Liberal Studies who have earned a qualifying grade point average in at least 30 Mary Washington College credits is recognized as follows:

<b>With Highest Distinction</b>	3.75 or higher
<b>With Distinction</b>	3.30-3.74

### FINAL HONORS

Final Honors are awarded at Commencement to students who achieved a grade point average of 3.75 or higher in their last 56 credits earned at Mary Washington College, at least 44 of which must be graded credits.

### DEPARTMENTAL HONORS

Students may earn graduation with honors in their major subjects. Each department establishes its own requirements for honors projects or theses. All departments require that a student intending to undertake an honors project have a specified minimum grade point average in the major subject and a minimum grade point average for all work taken at Mary Washington College.

## **FACULTY EMERITA**

Faculty members who have served Mary Washington College for at least 15 years and who have attained the rank of Professor or Associate Professor are eligible upon retirement to be considered for emeritus status. This honor, by action of the Board of Visitors, is bestowed this year upon a distinguished member of the faculty.

### **CORNELIA D. OLIVER**

#### **Distinguished Professor of Art**

Cornelia D. Oliver joined the Mary Washington College faculty in 1954. In her almost 40 years as a member of the Department of Art, she has taught very popular courses in Landscape Architecture and the History of Graphics, as well as courses in Renaissance and Baroque art. She has served on the Graduate Council, the Self-Study Steering Committee, the Self-Study Criteria Committee, and the Committee for Black History Month. Dr. Oliver has also held numerous administrative positions, including Assistant Dean of Academic Advising. In 1988, she was named a Distinguished Professor of Art.

## **COMMENCEMENT SPEAKER**

### **GORDON K. DAVIES**

Since 1977 Gordon K. Davies has been director of the State Council of Higher Education, Virginia's planning and coordinating body for 39 public and 42 private colleges and universities. Dr. Davies has played an instrumental role in guiding the system's growth, and his commitment to high standards is a hallmark of his tenure.

As a member of Virginia's Commission on the University of the 21st Century, Dr. Davies was the principal architect of a challenging vision for higher education in the Commonwealth and the nation.

Dr. Davies' degrees, all from Yale University, are in English and the Philosophy of Religion. Prior to coming to the Council in 1973 as associate director, he participated in founding Stockton State College in New Jersey, where, as a dean of the college, he guided curriculum development and an innovative advising system. Earlier, he taught at Yale and the Harvard-Yale-Columbia Intensive Summer Studies Program, an effort to provide access to excellent graduate schools for students in historically black institutions.

In addition to his academic experience, Dr. Davies' career includes several years with IBM, consulting, and service in the U.S. Navy. A rock climber and mountaineer, he has climbed in North and South America, Europe and Nepal. He has run in about two dozen marathons, including five in Boston.

## **HONORARY DEGREE RECIPIENTS**

**DR. GORDON K. DAVIES**  
**Doctor of Humane Letters**

**MR. ALFRED LEVITT**  
**Doctor of Humane Letters**

Alfred Levitt is a distinguished artist and art educator, as well as an acclaimed researcher in the field of prehistoric culture.

As a boy, Mr. Levitt came to New York City with his parents in the early 1900s to escape the persecution of the Jews in his native Russia. In his youth, Mr. Levitt became especially interested in the art of painting, eventually studying with Robert Henri and later with Hans Hofmann. The Metropolitan Museum of Art owns 22 of his paintings, and his works have been exhibited at such museums as the Whitney Museum of American Art, the Brooklyn Museum and the Pennsylvania Academy of the Fine Arts.

Mr. Levitt has made extensive studies of prehistoric art work in the caves of France, Spain and Italy. In 1975 the French Government awarded him the Chevalier de L'ordre des Arts et Lettres for Outstanding Studies of Stone Age Art.

**MISS A. ELIZABETH MORRISON**  
**Doctor of Humane Letters**

Elizabeth Morrison is known best as the founder, proprietor and director of Hazelwild Farm in Spotsylvania County. This 509-acre horse farm has been home to thousands of students pursuing preschool, kindergarten, day and boarding camp, and riding programs.

Miss Morrison earned a bachelor's degree in physical education in 1926 from Fredericksburg State Teachers College, which later became Mary Washington College. She has completed additional course work at the University of Wisconsin and George Washington University.

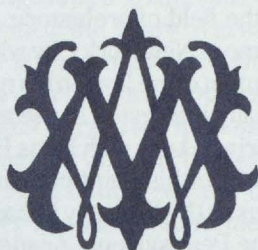

While still teaching at Spotsylvania High School, she opened a summer camp at Hazelwild in 1950. The opening of Hazelwild Country Day School followed in 1960. Thirty-three years later, Hazelwild Farm, with its expanded number of programs, continues to thrive.

## **THE DENNY & DUNIPACE PIPE BAND**

Having won top awards in Scotland, Canada and the United States, the Denny & Dunipace Pipe Band has been one of America's highest ranking championship bands for the past 20 years. It was formed in 1970 by members of the United States Air Force Pipe Band in an effort to encourage young pipers and drummers in the Washington, D.C., area to discover and nourish their Celtic musical roots.

## ALMA MATER

All hail, dear Alma Mater,  
We sing our praise to you.  
High on Marye's Hilltop  
You stand forever true;  
Born in truth and honor  
You ever more shall be,  
The model of our future years  
And all eternity.

Whene'er we have to leave you  
We never will forget,  
The lessons you have taught us,  
And all the friends we've met;  
And we your sons and daughters  
Will hold your name on high,  
So here's to Mary Washington;  
Our love will never die.
